

JOHN CHAPMAN

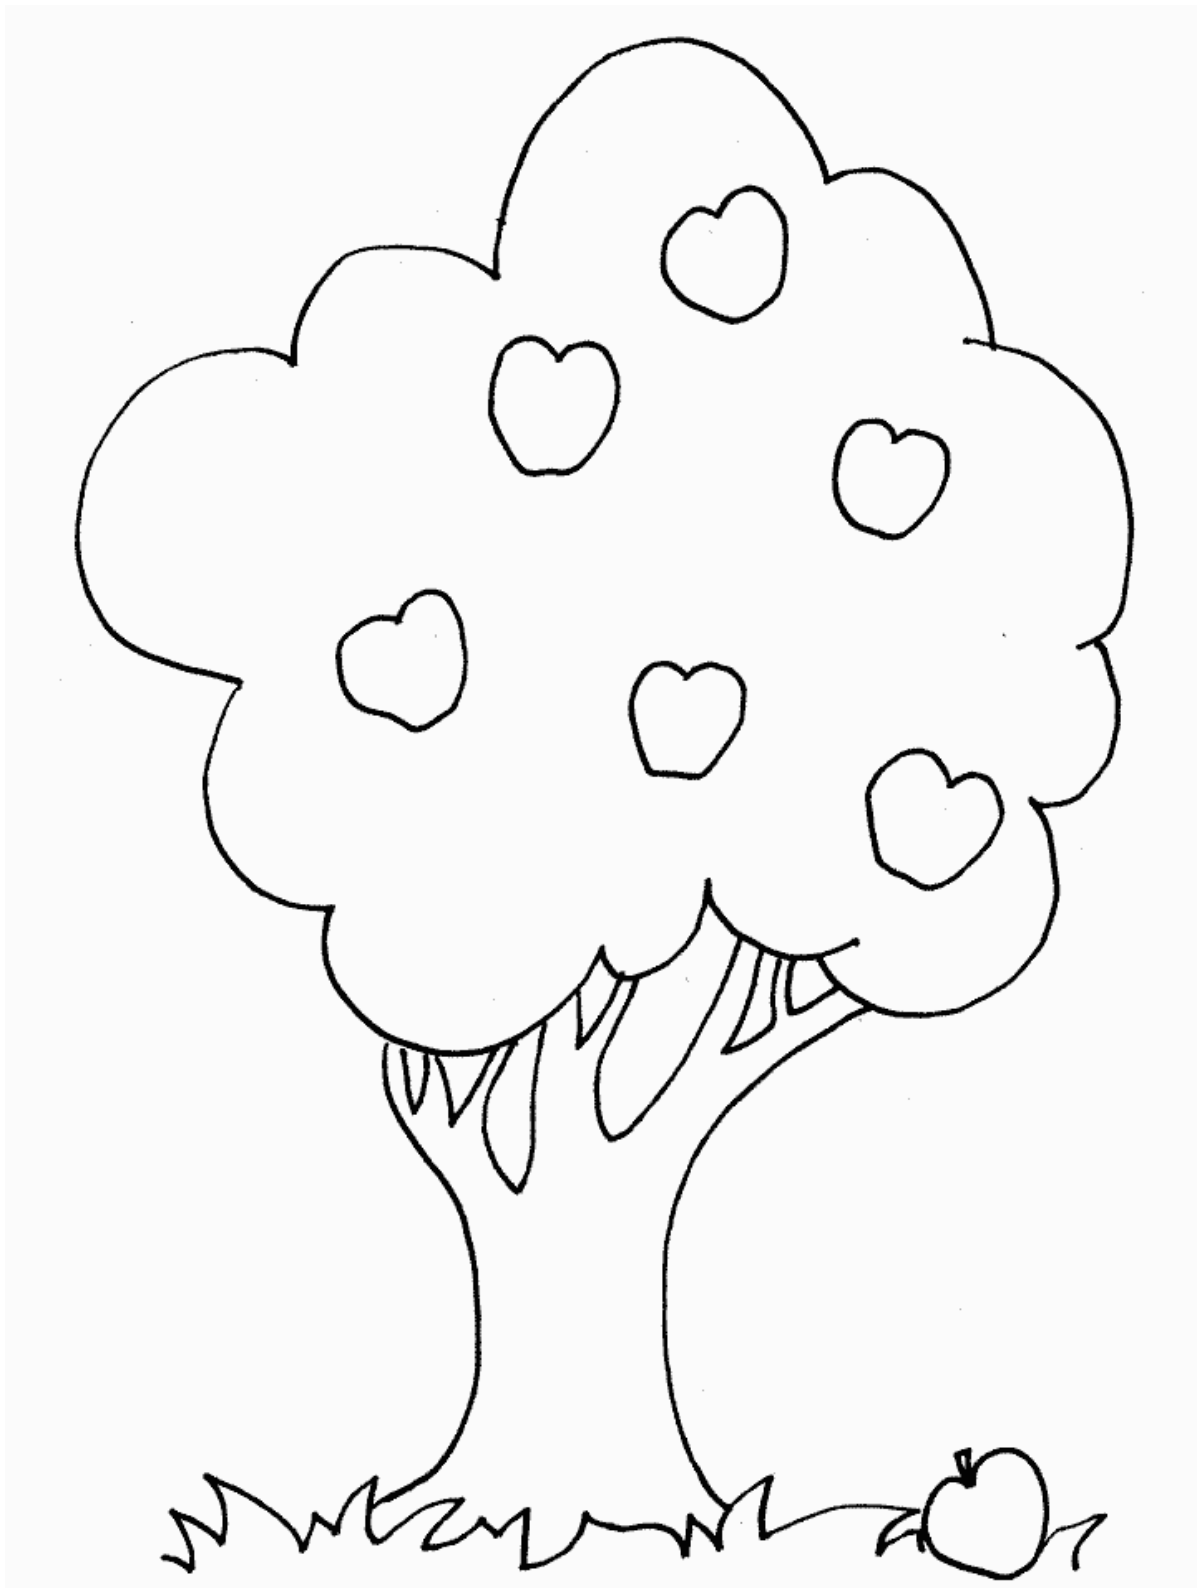

PROP:

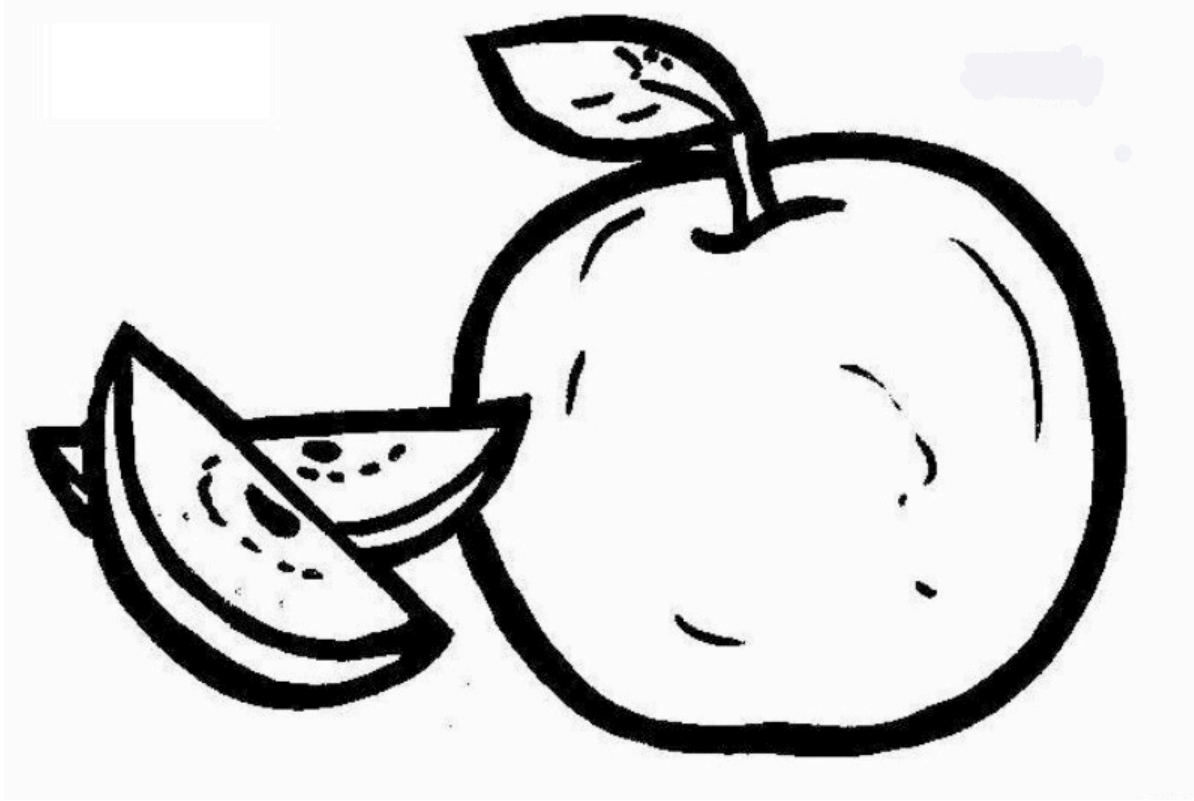

John Chapman will carry a small apple tree, provided by Rick Swash.

Apples were used to make
vinegar

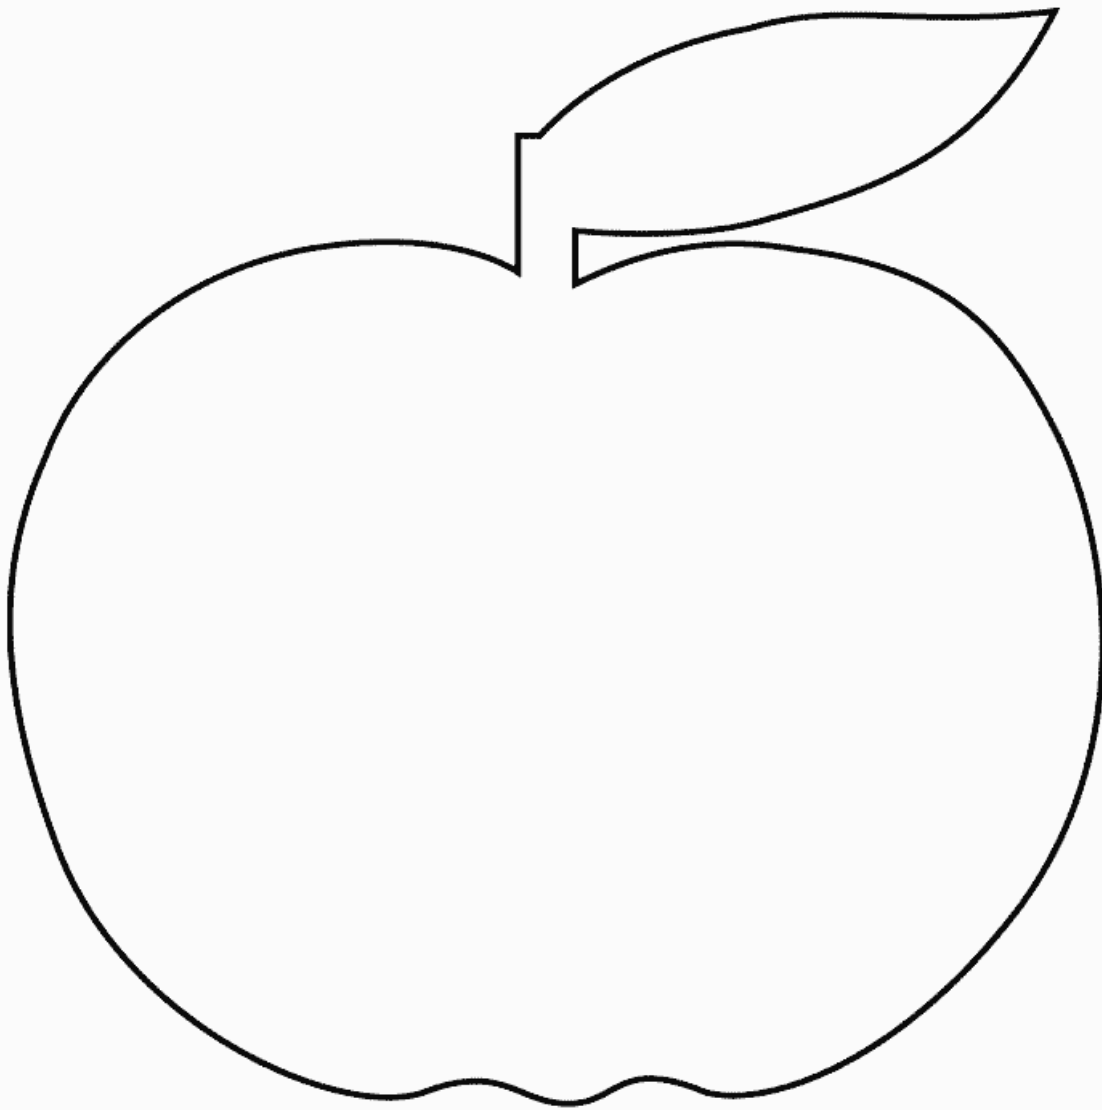

Apple Tree

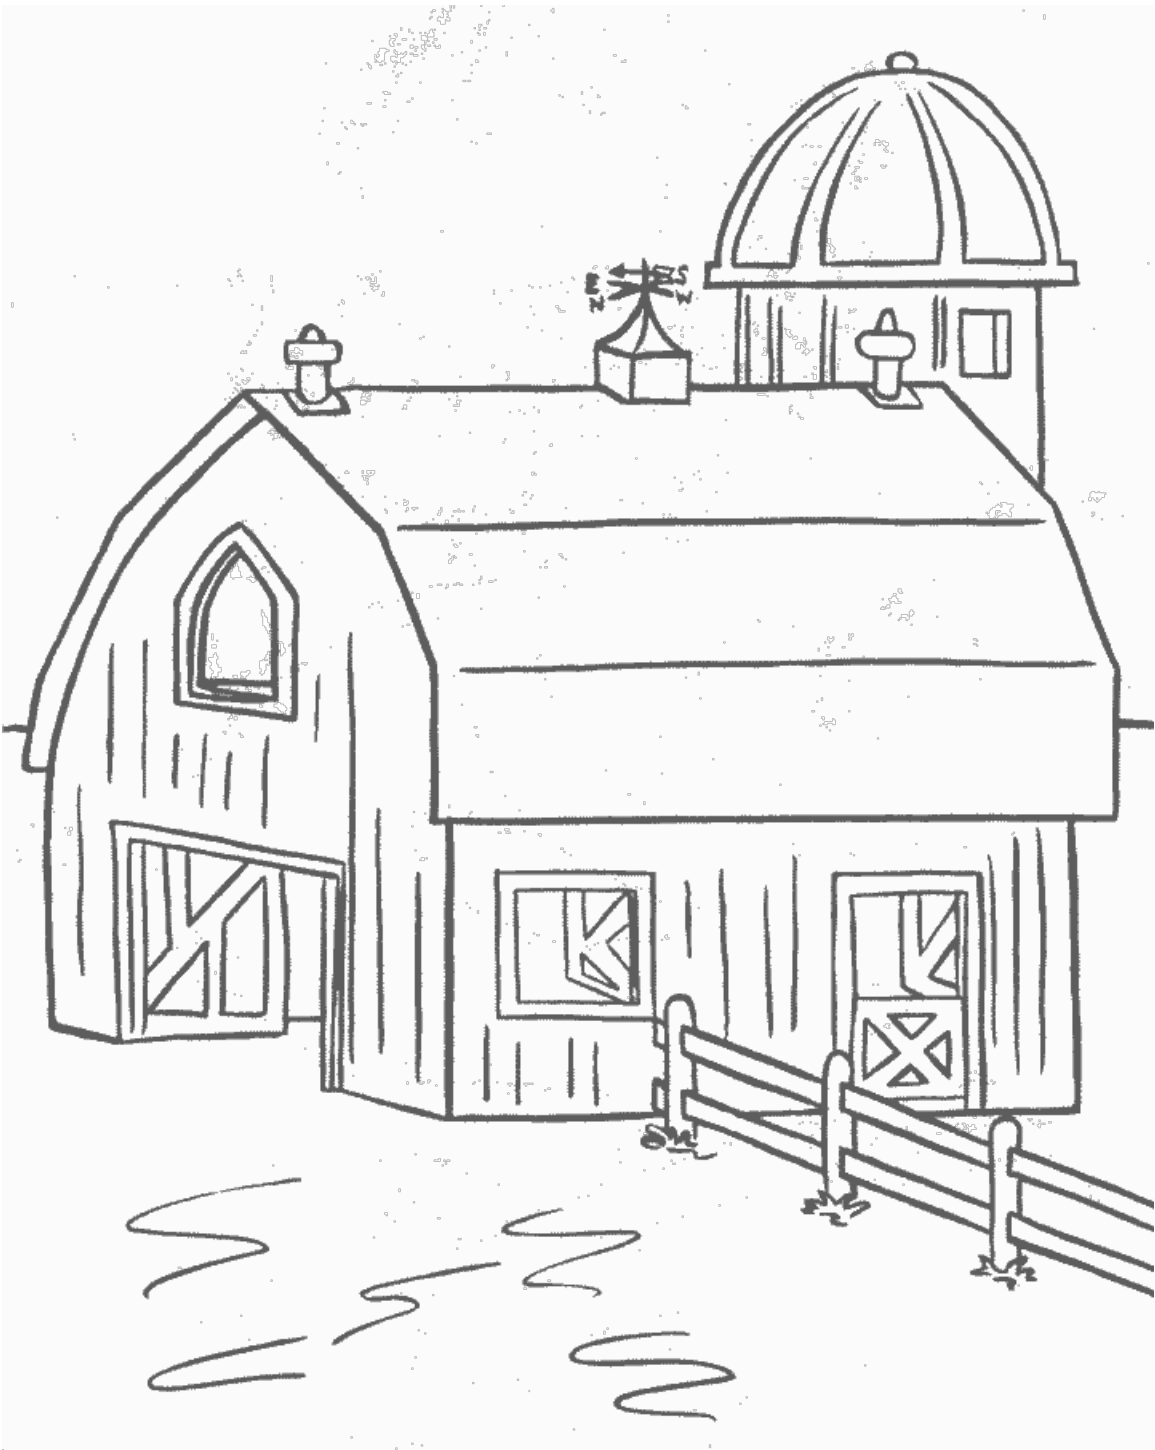

Red Rome Apple
Named for an area in Ohio, not Italy
Great for baking

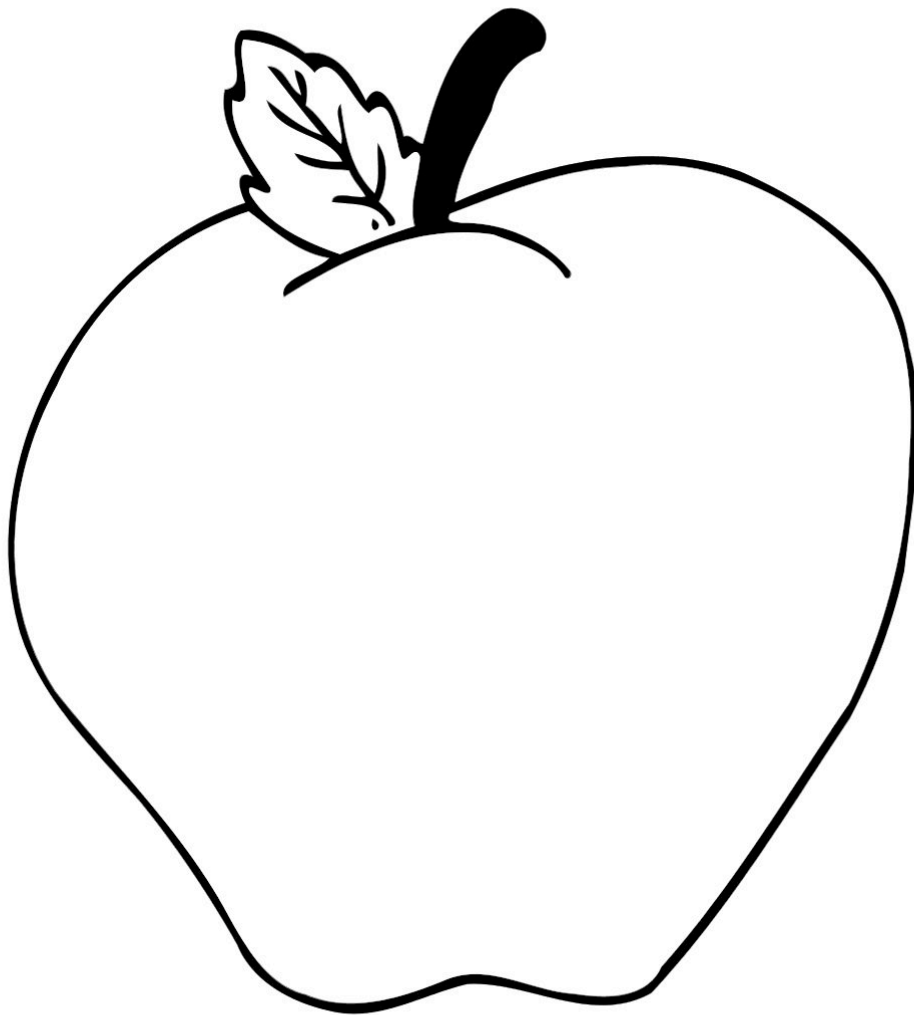

Log Cabin

Winesap Apple
Granddaddy of American apples
This red apple can be used for
almost anything

American Farm

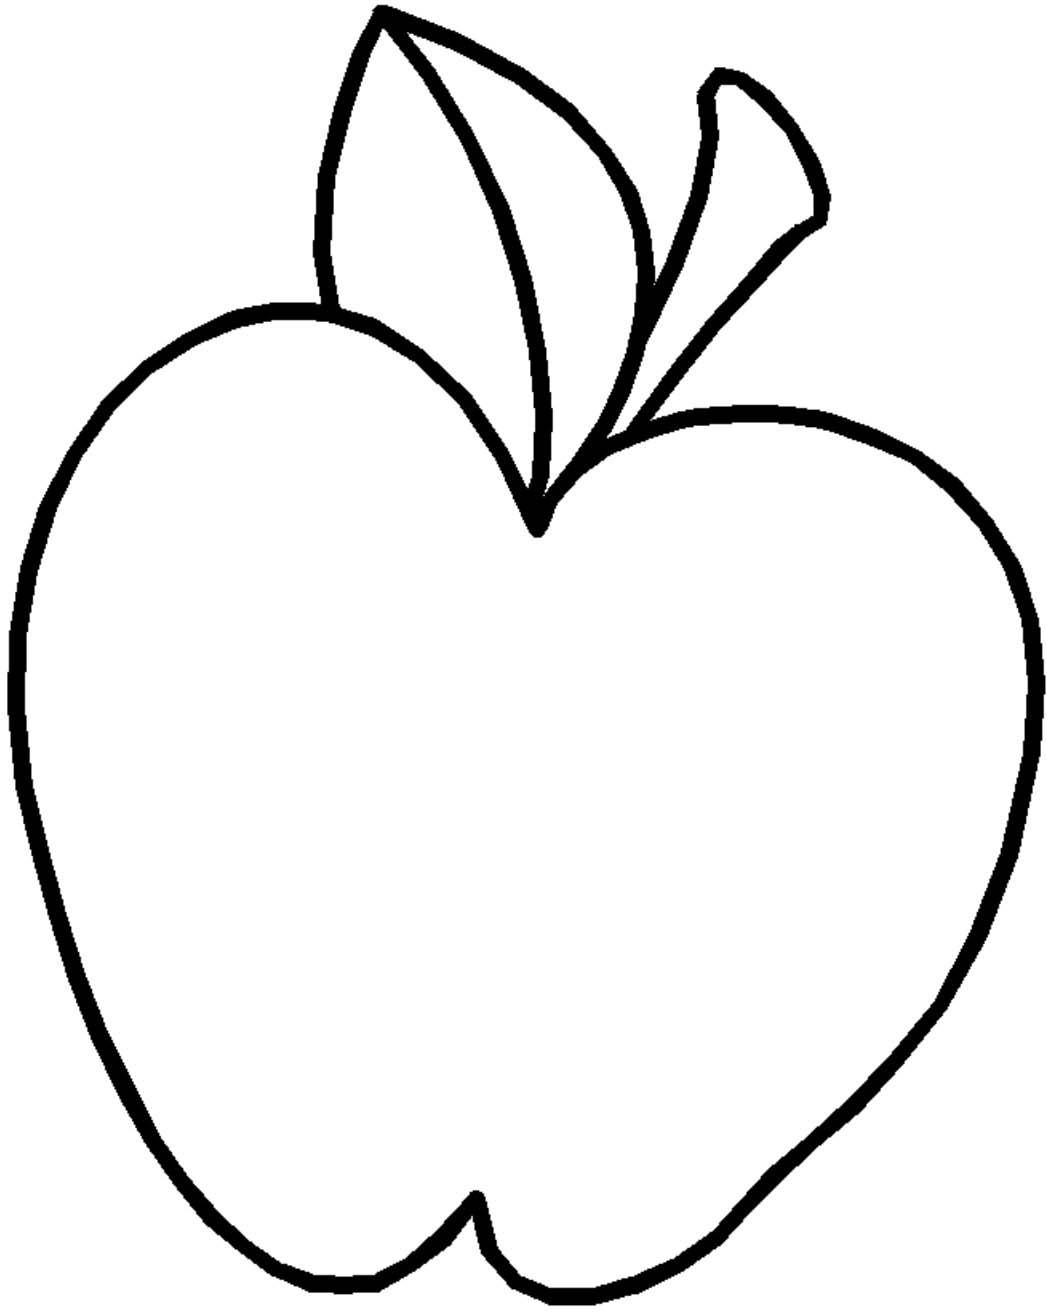

Granny Smith Apple

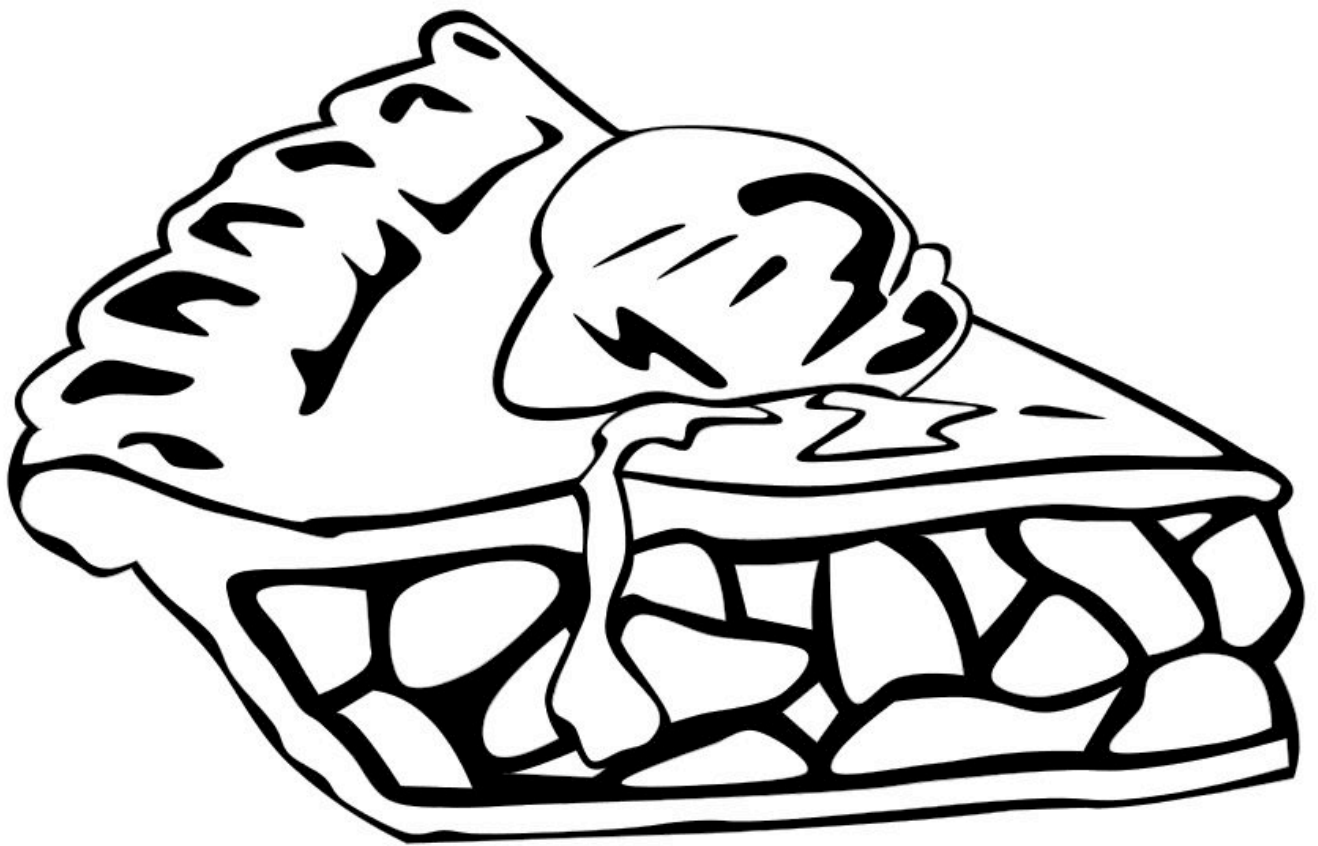

**These apples are green and make
great snacks and are good for
baking**

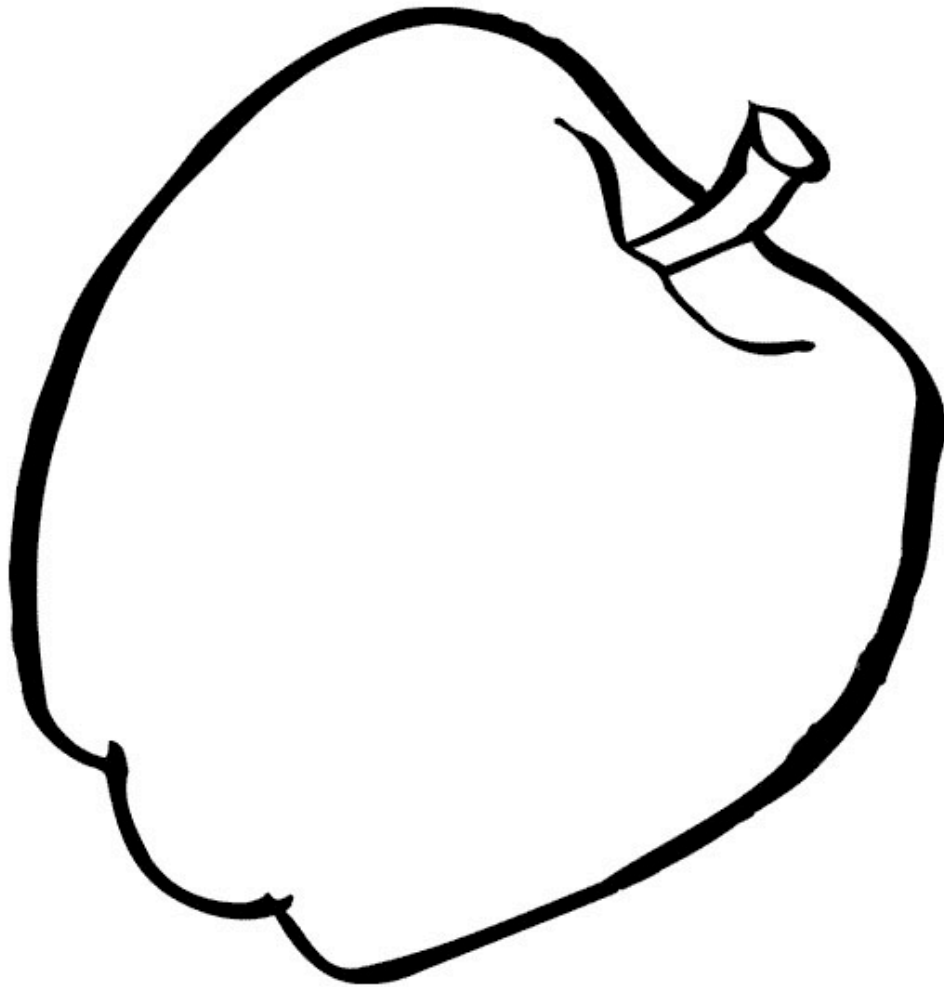

Some children marched in the
parade, but not little Johnny

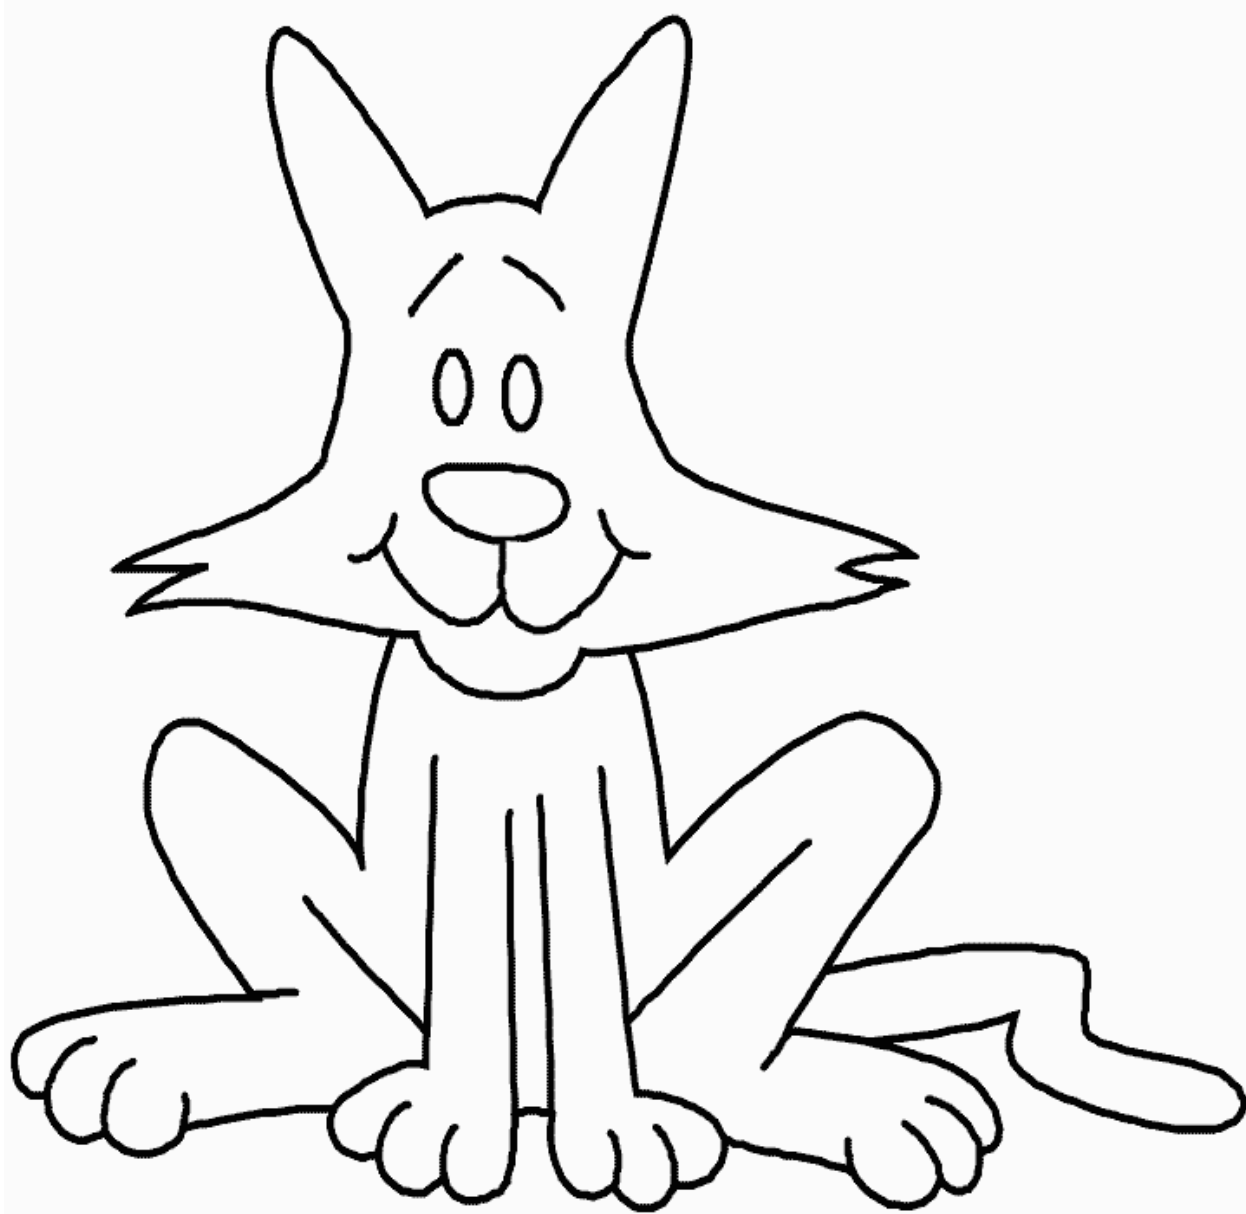

McIntosh Apple
Named after John McIntosh in 1811
This apple is red and green

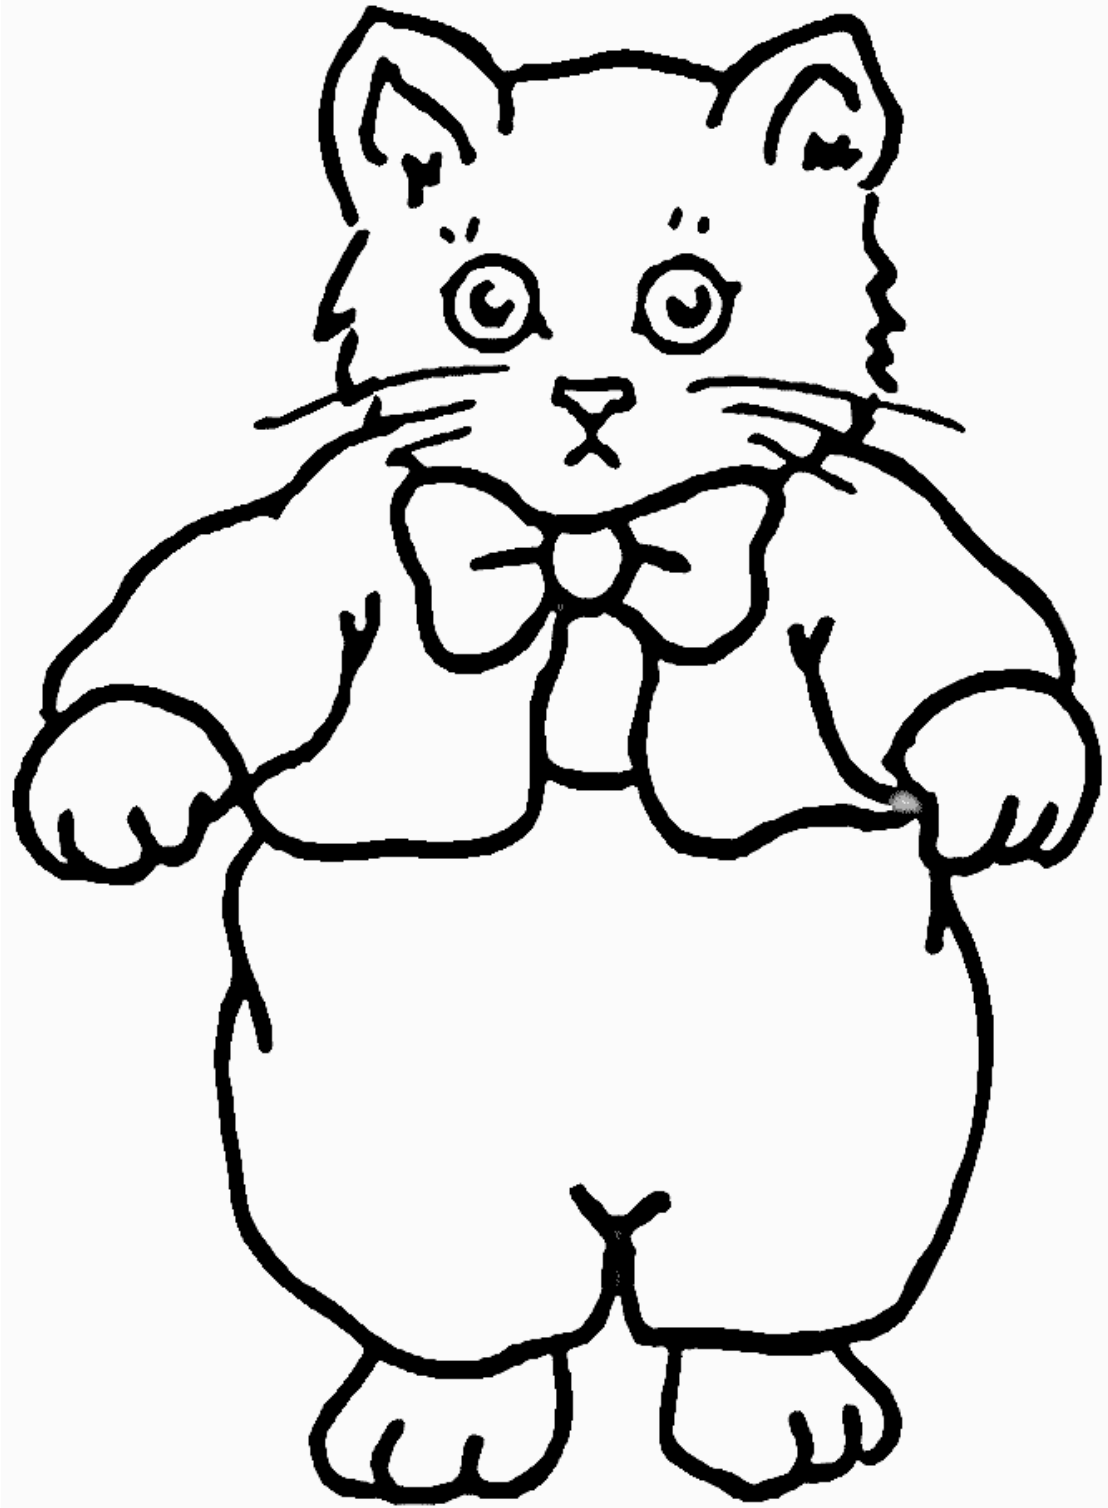

As American as
Apple Pie

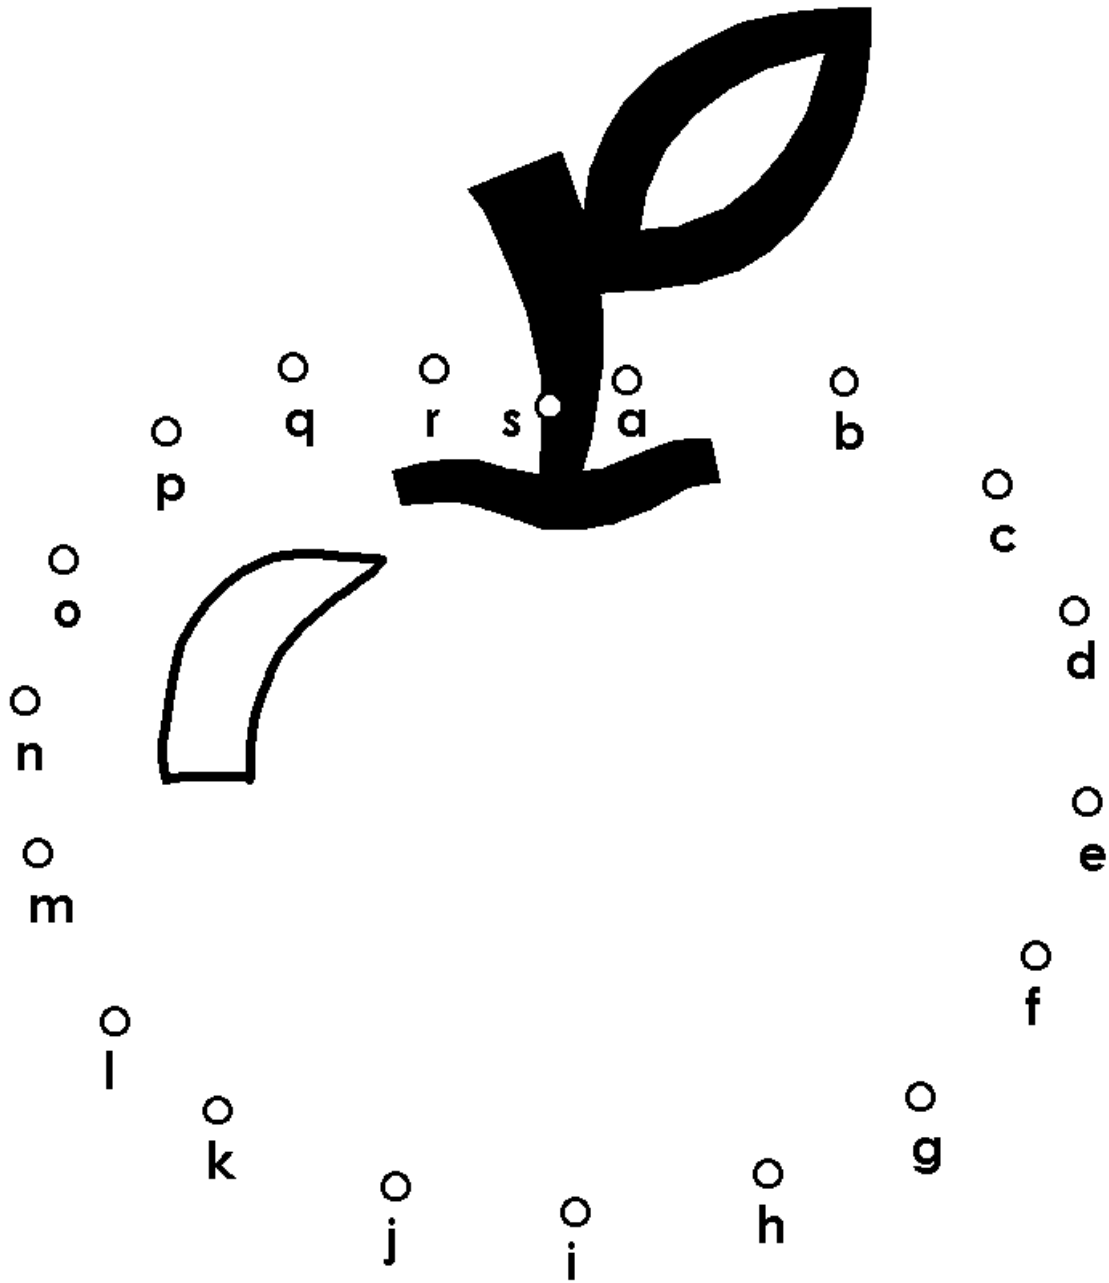

Red Delicious Apple
These apples are sweet
and juicy.

The cute little
Wildcat

Born with
Sweaters on

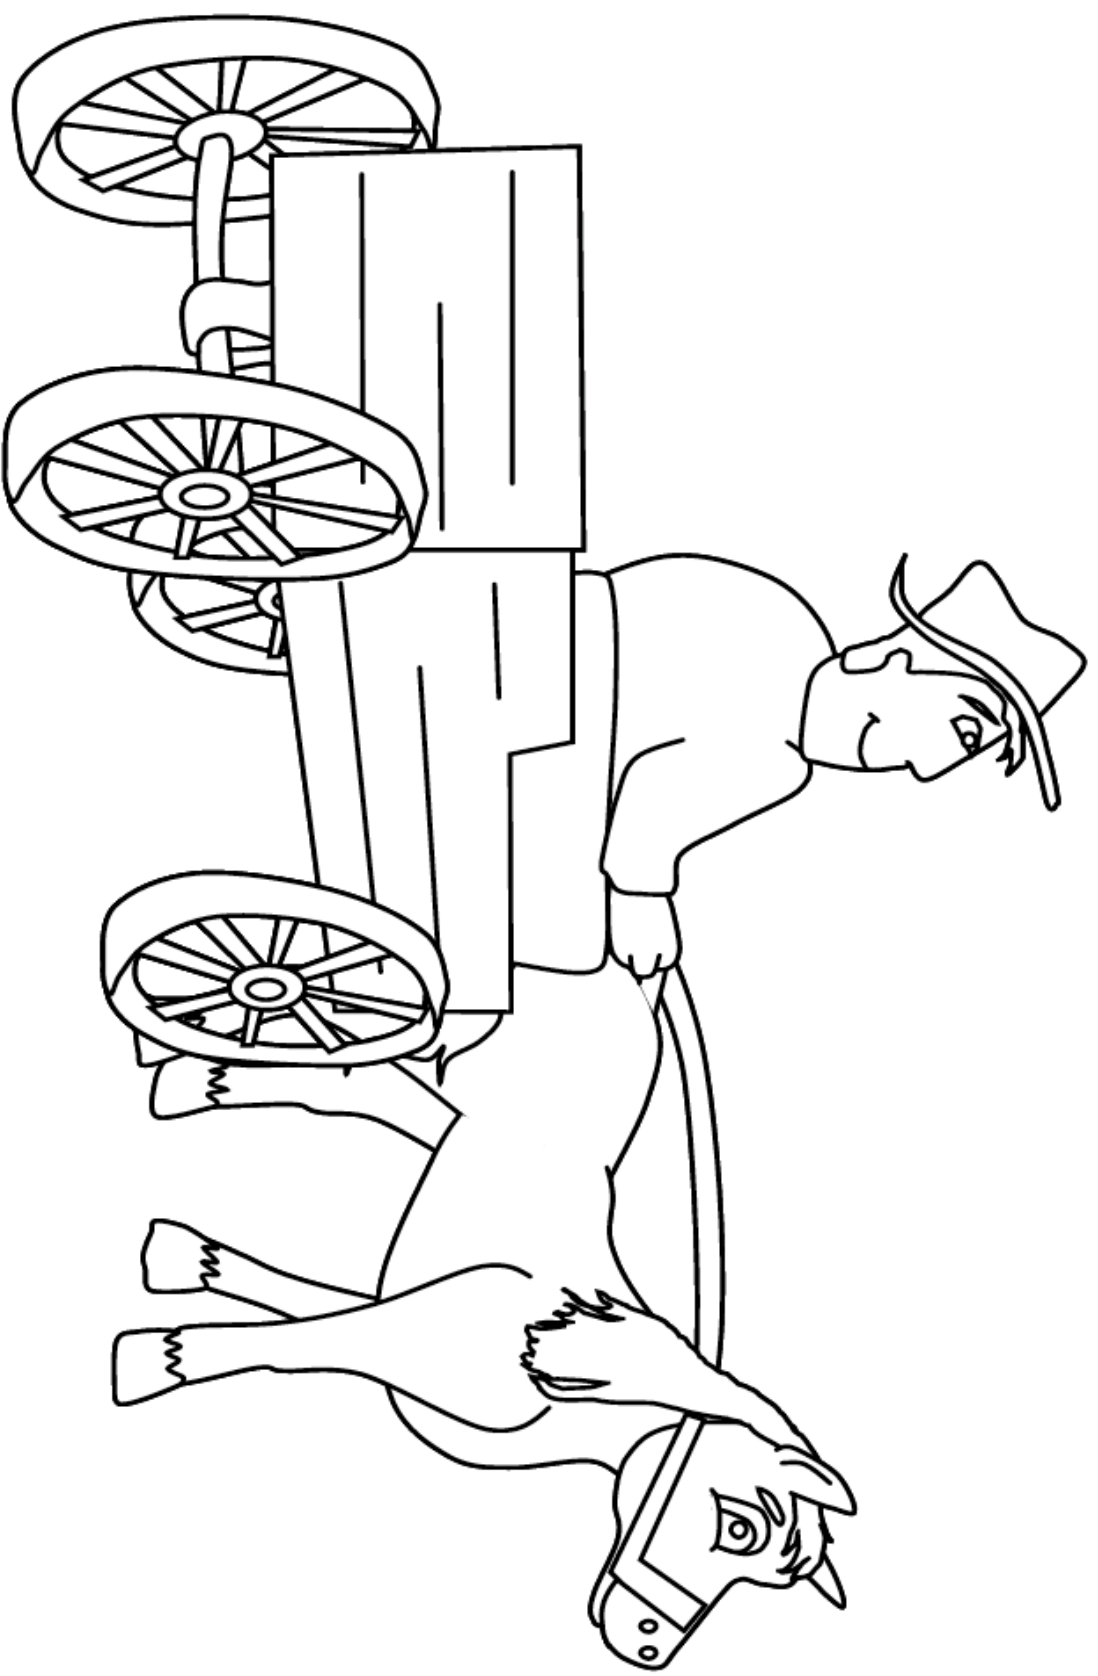

Connect the dots

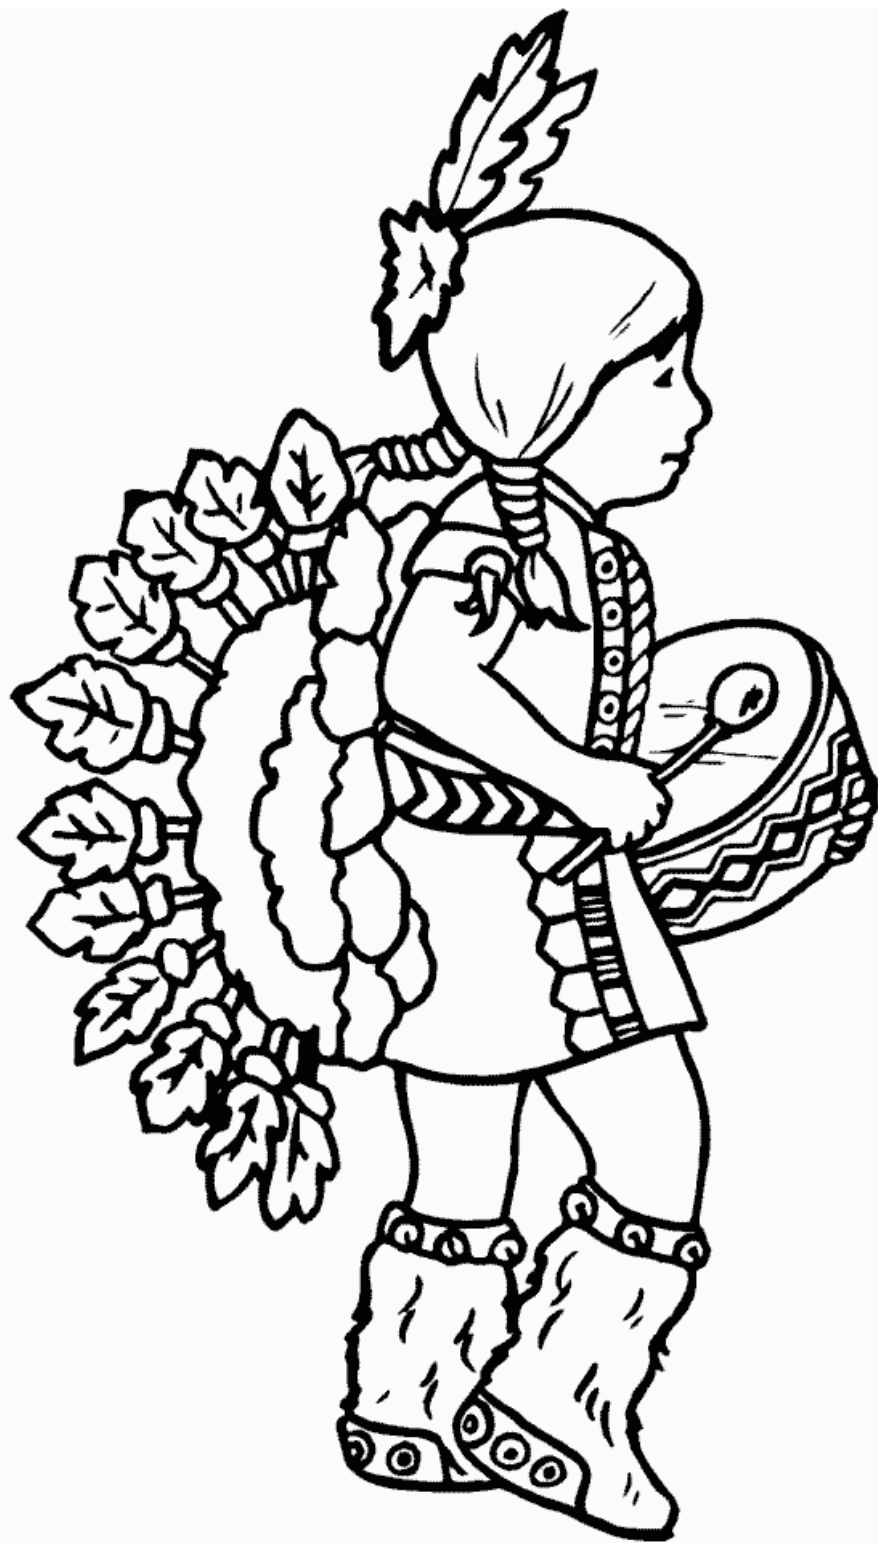

Jonathan Apple
They are deep red and are
good for snacks or baking

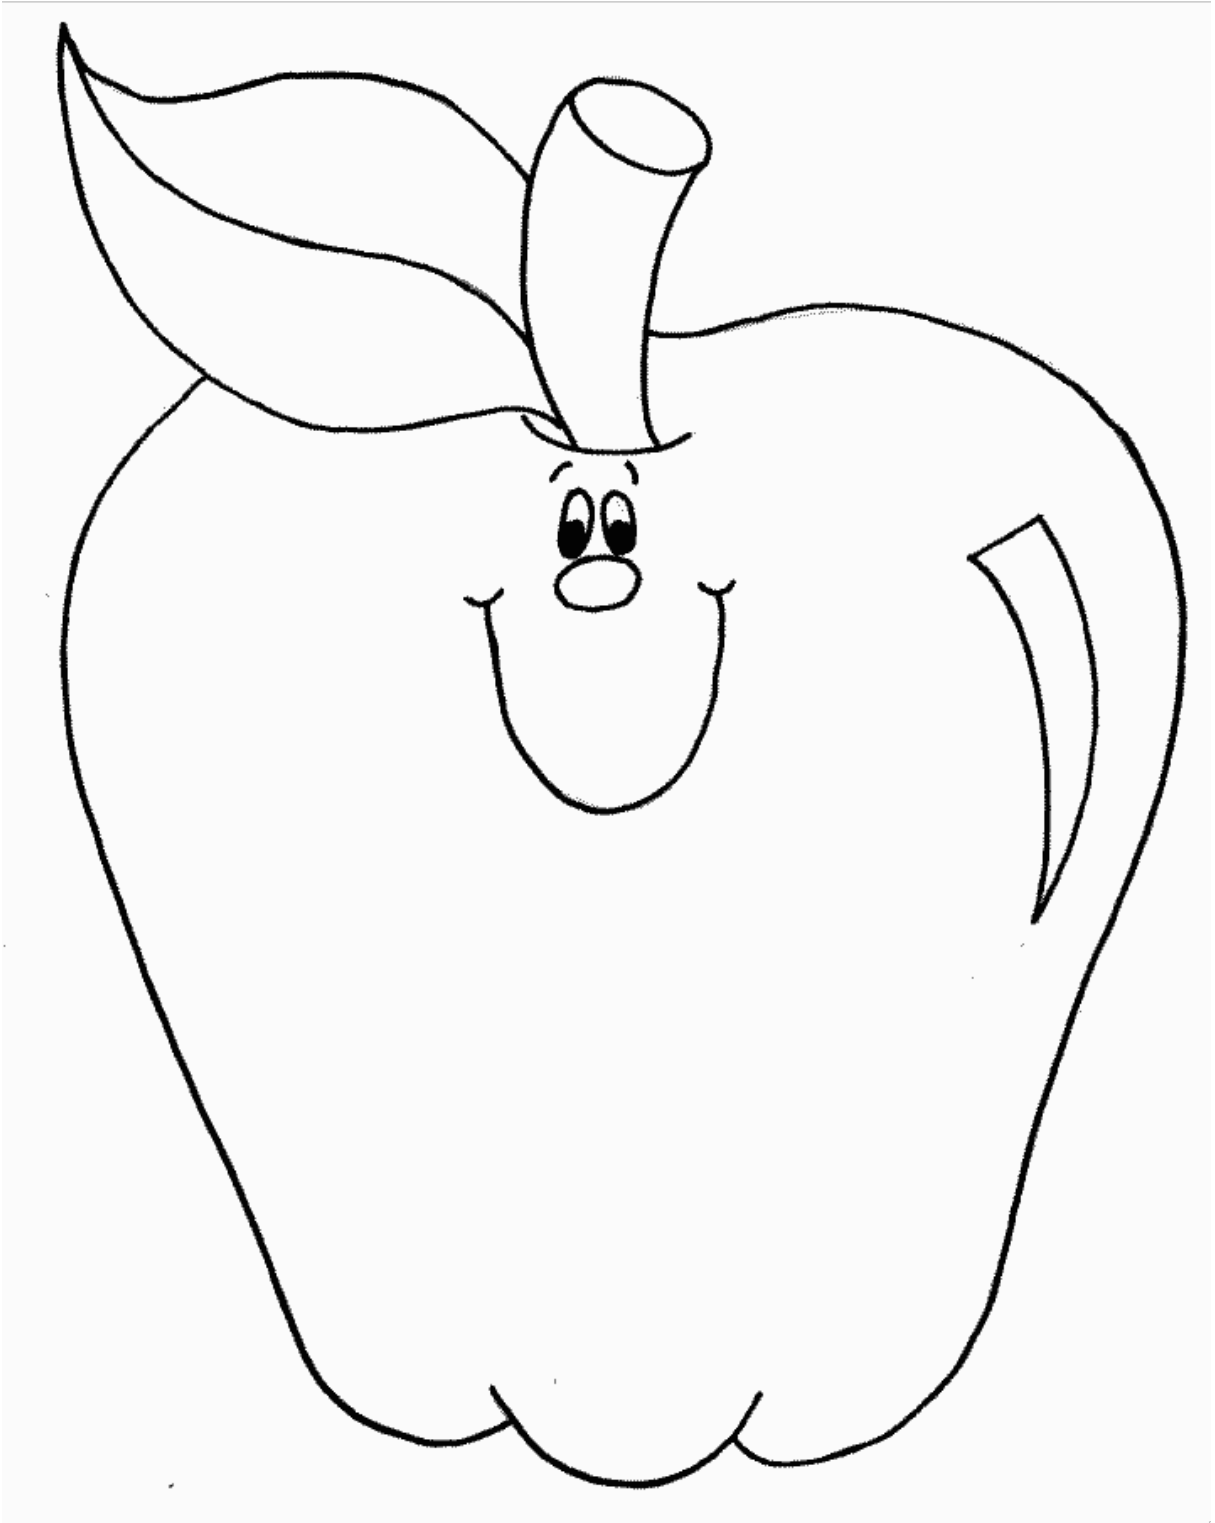

Johnny Appleseed not only helped
the Settlers, but because of his
work he still helps farmers today

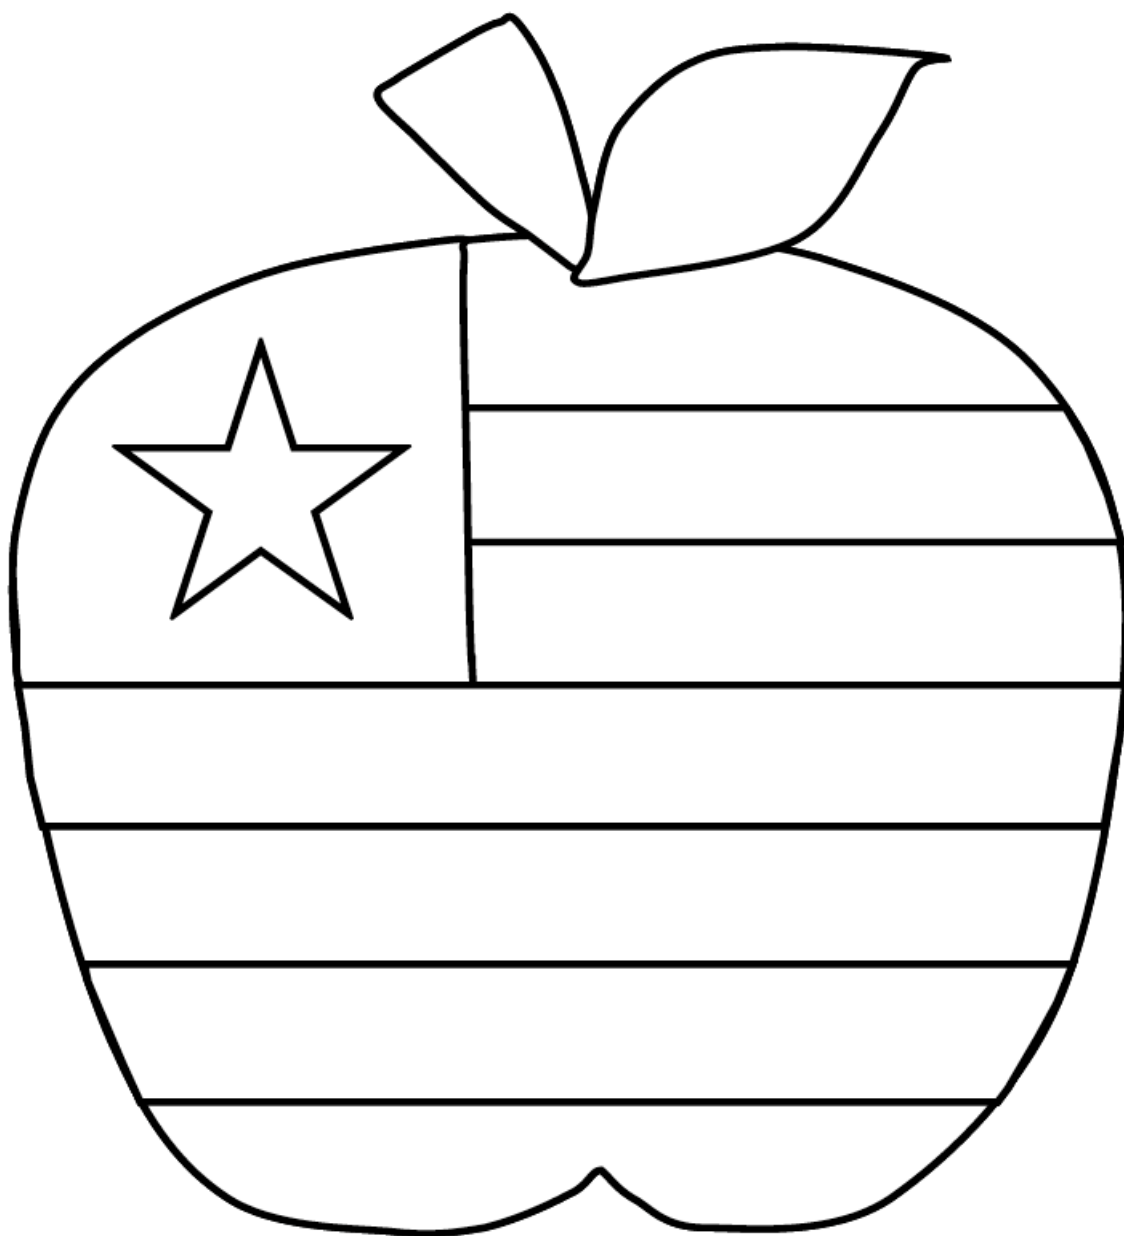

Frontier Wagon

**John Chapman (otherwise known
as Johnny Appleseed) was a friend
to Native Americans**

Friendly Apple

**An American
Apple**
